

The Peterborough Astronomical Association (PAA), is excited to work with the Alloy Fusion Handbell Ensemble and be part of their inaugural fundraising dinner/handbell concert/stargazing event, April 28<sup>th</sup>, 2018, at the Ganaraska Forest Centre. As part of the “Under the Stars” event, the PAA will follow the dinner/concert, offering an open-air guided tour to the mysteries of the night sky. Telescopes will be provided and everyone will be invited to view the stars and moon up close and in person. Warm clothing and comfortable footwear are recommended for this part of the program. In the event of poor weather, the PAA will present a dazzling indoor show that will take you on a cosmic voyage from the comfort of your chair.

Tickets are limited and only available in advance (before April 20) from:
