

June is coming and so is Peterborough Gets Active 2.0!

For the month of June, recreational and cultural organizations are offering **FREE** activities, workshops, events, and open houses for your family and children. There are many different opportunities for all ages to experience, meet new people, learn about what our community has to offer, and most importantly to get out and be active!

Bowling, swimming, yoga, improv, tennis, gymnastics, karate, fencing, and family bike rides are just some of the activities available at no cost for families throughout Peterborough County and City. You won't want to miss out on any of the events being offered! Be sure to check out the online Calendar and Daily Activity Guide for event details at www.peterboroughpublichealth.ca and search **Healthy Kids**.

Follow Peterborough Public Health (@PtboHealth) on Facebook and Twitter for event reminders.

For more information, contact Claire Townshend at ctownshend@peterboroughpublichealth.ca or (705) 743-1000 ext. 355
