

Hello PAA

Due to the extreme cold weather forecast for this Fri evening, we will only be on Zoom for our February meeting. Start times are still 6pm for the Novice Class, and 7pm start for the regular meeting. Do NOT come to the zoo. We will NOT be there this month.

This is for everyone's safety, and we prefer that we all stay warm and healthy.

Please pass this message along to any other members or invited guests that may not have checked their emails - we don't want anyone travelling to the zoo un-necessarily.

I will send the agenda out soon, and we will see each other ON ZOOM this Friday.

Rod Forsyth

President PAA
